EXPERIENCES

SPIRITUAL GUWAHATI

A history that goes back to over a thousand years, a mighty river that tells tales of valour and numerous hills that border the city, climb the Nilachal Hill to reach one of India's most revered Shakti Peethas—Kamakhya Temple. Take a ferry ride to Umananda Temple at the Peacock Island through Brahmaputra River, often referred to as the smallest river island on the earth.

WALL ON THE WILD SIDE

Vivanta Guwahati passionately champions and showcases Assamese culture and legends throughout the hotel, whether in the architecture, decor or cuisine. One of our most exciting ventures is the Kaziranga and Manas Photo Wall on the lobby level.

TEA GARDEN TOUR

As the world's largest tea-growing region, Assam produces a bouquet of powerful malty black teas that have more variety than the most ardent tea-lover can think of. A visit to a tea garden is topmost on the wish list of guests to Assam and at Vivanta Guwahati, we have exalted the experience to a fun and memorable outing.

BIHU DANCE PERFORMANCE

Known all over the world as a joyous and graceful symbol of Assamese culture, the Bihu dance is performed primarily during the Rongali Bihu festival in mid-April, marking the arrival of spring. But at Vivanta Guwahati, we make sure that you can partake of the merriment across all seasons
